THE BASE IN ALL SAVVY FIT SOAPS

Coconut Oil

- preventing premature aging due to its well-known antioxidant properties.
- Treats various skin problems including psoriasis, dermatitis, eczema and other skin infections.
- Stimulates growth of hair and gives your hair a shiny quality.
- Highly effective in reducing protein loss in the skin and hair.

Palm Kernel Oil

- Phytohormone which has anti-aging and anti-wrinkling benefits.
- Known to kill staph infection being carried on the skin.
- Kills Streptococcus SP, which bears stimulating agents that are believed to contribute to the pathogenesis of diseases like psoriasis.

Olive Oil

- Fends off so called free radicals thereby putting the brakes on cell aging.
- The fat composition in this unique oil is very similar to that of the human skin, whereas this oil doesn't cause any allergic reactions.
- High proportions of vitamin E revitalizes the complexion and firms skin.

Organic Sustainable Palm Oil

- A Vitamin E powerhouse, naturally nourishing eczema, psoriasis, and acne.
- An antioxidant that shields skin from environmental hazards like sunlight, pesticides, and smokes.
- Among the best moisturizers in skincare.

Castor Oil

- Very effective in the treatment of Arthritis, Gout, & Rheumatism because of its unique ability to penetrate the skin so easily.
- Antimicrobial and Antifungal due to the Ricin oleic & Undecylenic acids in this oil
- Very effective against skin diseases & skin ulcers.

Avocado Oil

- Outstanding regenerative properties.
- Full of vitamins A, B, D, & E.
- It is rich in monosaturated fatty acids that will soften and revitalize rough, dry, & aging skin.
- Penetrates deeper than any known plant or animal oil transporting nutrients through the outer epidermis of the skin and into the dermis for an increased effectiveness.
- Stimulates collagen metabolism to avoid signs of aging.
- It has strong UV absorption properties.
- Regenerates connective skin tissue and inhibits bacteria growth.

Jojoba (Liquid Wax)

- The King of Skincare.
- Helps create a flawless complexion.
- It operates the same way as human skin oil, balancing and helping to prevent breakouts.
- A liquid wax that has restorative & anti-inflammatory properties and helps to alleviate aches & pains.

Shea Butter

- Has high levels of cinnamic acid, a natural sunscreen.
- It's an anti-inflammatory making it excellent in treating Rheumatism.
- This butter is known to work as good if not better as the steroids that are given for Psoriasis & Eczema with no harmful side effects.
- Also beneficial for dandruff, burns, soars and helps diminish wrinkles.
- Contains high levels of vitamins A E & F.

Cocoa Butter

- A natural stretch marks defense.
- Keeps skin super soft.
- It is also known as a natural emollient and works great for Eczema, and Dermatitis.
